The Father Christmas Cup is a soccer fundraiser held each December to help local Atlanta families of the military, first responders, and those from the local soccer community who will be missing a parent for the first time over the holiday period. The event will also memorialize those active in our soccer community that have passed within the previous 12 months.

The Atlanta Silverbacks organization has been a long time sponsor of the event, generously donating field space to host both a youth and adult soccer tournament. This year's event will be held on Saturday, December 15<sup>th</sup> 2018 at The Atlanta Silverbacks Park.

Funds are raised from player participation donations, a sponsored player shirt, raffle proceeds, private donations made through the Father Christmas Cup website and donations on the day of the event itself. As well as having their logo on the player's shirt, event sponsors are recognized on the day of the event as well as on the Father Christmas Cup website [www.fxcup.org](http://www.fxcup.org) and in social media updates.
